# The Distinction™

Pleated screen for oversized doors and openings

Up to 4m wide

[phantom-screens.co.uk](http://phantom-screens.co.uk)

Quality components and professional installation ensures a perfect fit

Durable pleated mesh provides insect protection without obscuring your view

Low profile threshold allows you to walk right over

The perfect combination of solar shading and fresh air ventilation

## A flexible solution for oversized doors

Enjoy the freedom of being able to keep your home cool and fresh without the intrusion of pests with Phantom Screens' retractable door screens. Engineered to the highest standards, the Distinction system is a flexible and reliable solution for screening oversized doors and openings. The system allows you to enjoy the view and let fresh air into your home whilst keeping unwelcome visitors and the sun's rays at bay. All screens are professionally installed by your local design and fitting expert and come in a range of options which are both practical and stylish.

- Phantom Screens' high quality components ensure years of trouble-free operation.
- The Distinction fits most door sizes and types including sliding, double and bi-fold doors.
- Wire tension system ensures screens operate smoothly.
- Low profile bottom rail means you don't need to step over it.
- Our durable pleated mesh technology resists sagging and tearing.
- Screens come in a variety of colours to match your existing décor.
- All screens come with a Phantom Lifetime Warranty.

### A. Single Panel

Max width: 0.8m–2m
